The Board meeting held February 25, 2003 brought up the following items to be addressed over the next five years. The Tatum Housing Authority has responded by adding the items to the 2003 Annual Plan and five-year plan.

Required Attachment *G*: Progress Report

CFP for 2002 was a great success with the residents. The new light fixtures brighten up the apartments. The new coat of paint on the exterior makes the apartments eye pleasing. The new refrigerators and stoves have been a blessing to all. We still have more to replace. The Tatum Housing Authority hopes to start replacing the others in May and finish by June 30, 2003. With the remainder of the 2002 CFP, we must take the termite infested wood fence down and replace, which will be done as soon as it is approved.

All the residents have been looking forward to the new cabinets and flooring. Unfortunately, a health and safety issue with the heating units is priority. Therefore we had to move cabinets and flooring back a year.

Most of the McNeese Circle apartments have not been painted in 18 years. I believe that this is important for the residents; a new face-lift is always good for moral.
